

*"If laughter leaves the building,
your best people aren't far behind!"*

KATHY KLOTZ-GUEST, MA, MBA

Keynote Speaker, Author, Founder at Keeping it HumanSM

Keeping Work Human with Humor & Innovation

Fear kills bold ideas, culture and retention.

What if your culture fueled innovation instead of suffocating it? **The secret: HUMOR.** It makes work safer, bolder, and more creative.

For 20+ years, Kathy led Silicon Valley teams and performed comedy. **Now she helps leaders build workplaces where laughter + innovation thrive.**
